

# ***MICHIGAN MAIN STREET - CHEBOYGAN STYLE!***

**June 22, 6:30pm at the Cheboygan Library**

Presented by: **BRING IT CHEBOYGAN!**

You are invited to a presentation by Bring It Cheboygan! volunteer and Cheboygan Tribune columnist Jim Soubly, along with other Bring It Cheboygan! volunteers.

**Part 1** – Learn about the Michigan Main Street program, the awesome potential we have for Cheboygan, and how we can all participate.

**Part 2** – Community input and questions.

While we are concentrating on downtown, this effort is much bigger than that. Downtown is the hub of the entire Cheboygan community - including all residents and businesses.

Attend this informative presentation and help develop the perspective to set goals for a revitalized community that we can all share with pride.

**This is your chance!**

**We will do this together!**
